

COMPLIANCE & QUALITY SYSTEMS

Structured OEM Manufacturing Partner
for Export-Oriented Oral Care Brands

Regulatory Awareness

Production supports export-oriented compliance aligned with requirements in the U.S., EU, and Middle East markets.

GMP Framework

Production follows ISO 22716-aligned GMP management principles with documented SOP-based controls.

Testing & Validation

Microbial checks, stability observation, and packaging compatibility assessments are performed under structured internal protocols.

Documentation

Documentation may include CoA, SDS, and batch production records to support importer verification.
